Faculty

MIET has hired well qualified faculty with minimum M.Tech qualification and senior faculty with vast experience in Govt. Institutions of repute like IIT, NIT & VSSUT.

Vishu Sanku Development, New City, 2nd floor, Campus of MIET, Odisha

The Institute receives valuable guidance from the Director Prof. Ratikanta Mishra who is a towering personality in shaping BPUT system and technical education system in Odisha. He was the 1st register & then the vice chancellor of BPUT.

The Institute has been fortunate to get prof. J.L. Dwart as the Principal. He was Ex-principal in Govt. Engg. College Keonjhar and having vast experience as Professor in Mechanical Engg. in University College of Engg.(now VSSUT) Bura. He provides dynamic academic leadership for the growth of the institute.

Training & Placement

Record placement vice-Chancellor, MGI receiving highest Placement Award in Edufest-2017

The Training & Placement Cell (T & P Cell)

In order to target good Placement, regular Pre-Placement Training (PPT) is providing to the students by the T & P Cell. The PPT includes development of soft skills, inter views Orientation, Group discussions, personality development, and fluency in English Speaking. The Institute has tie up with Corporate giants to ensure placement. HCL quick Heal, HUAWEI, SYNTEL Technology, have visited our college campus and selected large number of students with good package.

and many more....
